(Use participating organization letterhead.)

(Date)

Dear (Student Name):

We understand from the results of your high school student career interest survey that you have an interest in the field of (career). We are offering students from (high school) the opportunity to join other teenagers in planning and operating your own (career) Explorer post with guidance from qualified adult Advisors. Exploring can be an informative and fun way to help you prepare for the future.

You are invited to attend a firstnighter at our (organization) on (Day), (Month) (Date) from 7:30 P.M. to 9 P.M. to learn how (career) Exploring works. A map is attached to help you locate (organization). You are welcome to bring a friend and your parents.

If you decide to join at this firstnighter, we will collect \$7, which is the annual enrollment fee for Exploring. As an Explorer, you will learn important skills, such as team building, public speaking, and interviewing. You will also learn how to organize your time to accomplish tasks for school and for extracurricular activities.

You can help us plan for the firstnighter by calling XXX-XXX-XXXX to let us know that you can attend and if you are bringing a friend. Ask your school guidance counselor about Exploring, or check out our Web site at [www.learning-for-life.org](http://www.learning-for-life.org). Click on the Exploring icon for more information.

Sincerely,  
(Signed by CEO)
